Don Bosco, our patron used to say that what you offer to the poor is offered to God. And God can never be outdone in generosity. He will always reward you more abundantly for your goodness to him. I encourage you also to contact your own friends, inform them of our need and get them also to contribute.

DON BOSCO HIGHER SECONDARY SCHOOL

**130, Madhavaram High Road,
Perambur, Chennai-11.**

Dear friends,

Greetings of health and happiness to you and to all who are dear to you.

This letter is an appeal to your goodness, seeking your help to complete the School Auditorium that is under construction. I include a few photos of the present stage in which the construction is. It is a simple hall of 150 ft × 80 ft surface. All the other works needed to make it operational are still pending. The hall is exclusively for the use of the schools (Higher Secondary, Primary) and the Youth Centre, with poor children.

May Don Bosco bless you and your family.

Lovingly, and gratefully,

Rev. Fr. Maria Arokiam Kanaga SDB
Rector and Correspondent

Financial Report of Expenses:

The total cost of the Auditorium is estimated to be Rs. 3,65,62,860/- (three crores and sixty-five lakhs, sixty-two thousand, eight hundred and sixty).

The cost of the construction, so far incurred is: Rs. 1,83,00,000/- (one crore and eighty-three lakhs). Most of it has been met by the Salesian Province of Chennai. The students and teachers too have contributed their mite. It is not possible to collect more funds from them, as they are poor. Foreign agencies and local business corporations do not fund construction projects.

To conclude the works and make the auditorium operational, we need still, about Rs. 1,82,62,860/- (One crore, eighty-two lakhs, sixty-two thousand, eight hundred and sixty only).

Eventual costs of false roofing, tiling, toilets, drinking water, pavement in front, generator, roof exhaust fans, etc. are not yet foreseen in this budget. They will be done later when necessary and means are available. Another Crore will still be needed for them.

Essential works that remain to be done and their estimate

Item	Estimate
Electrical works, including wiring, lights, fans, boards, etc.	Rs. 61,66,935
Furniture: 2500 plastic chairs; some other accessories (Cost per chair: Rs. 550/-)	Rs. 13,75,000
Civil Works (plastering, sidewalks, roofs, stage extension, etc.)	Rs. 96,08,870
Audio System, Complete	Rs. 10,87,055
Painting	Rs. 5,75,500
Extras: Stage set ups, special furniture, store space, stage fans, etc.	Rs. 6,15,000
Total	Rs. 1,84,50,010

You may choose to sponsor one area of work, or part of something, e.g., a certain number of chairs (30, 50 or 100). Those who contribute Rs 1,00,000 and above will also be gratefully remembered in a permanent stone plaque to be displayed in the structure.
